KLEINMAIERS

Through Attorney H. K. Hill, the Haberman Hardware company has filed a petition against Harrison C. Shufstark, in which it is set forth that the defendant is indebted to the plaintiff in the sum of \$499.84 for material purchased. The bill is itemized, made a part of the petition and is quite lengthy.

A Satisfied Customer is a real profit maker—the best salesman a piano dealer can possibly have. Every Schumann owner is a Schumann booster. That is the reason Schumann pianos are easy to sell, and at Peters Piano Store is where they are sold.

I invite you to call and see this wonderful piano.

SUDDEN DEATH OF MRS. MILLER

Six Weeks Illness Results Fatally Friday Evening.

Paralysis of the Heart is Assigned as the Cause of Her Death.

Mrs. Mary A. Miller, wife of Joseph Miller, died at her home on Silver street, Friday evening at 5 o'clock. Death was the result of a six weeks' illness of paralysis of the heart. Mrs. Miller had been in feeble health for some time, but was thought to be in a stronger condition yesterday, as she sat up the greater part of the day. In the evening she was seized with a sinking spell, and died before medical help could be summoned.

Mary Miller was born January 1, 1866, in Ireland, the daughter of Mr. and Mrs. John O'Regan. When she was one year old, Mrs. Miller came to America with her parents, who settled in Chicago. Thirty-two years ago she came to Marion to make her home, uniting in marriage with Mr. Miller September 27, 1886. Of this union were born seven children, all of whom are living at home. They are: Bertilla, Mildred and Rosella Miller and Joseph, Robert, Francis and Theodore Miller.

Funeral services will be conducted Monday morning, from the Catholic church, with Rev. Joseph Deuninger officiating. Interment will be made in St. Mary's cemetery.

Bowling

Marion City League.
The Questions defeated the Cubs two games out of three on the Mission alley, Friday night. Each game was close. The Questions winning the third and deciding game by two pins. The scores:

Cubs	1	2	3
Ridenbaugh	108	150	
Turner	108	113	
Cole	181	149	
Vieths	123	132	211
Williams	161	154	154
Sanford	174	181	179
Totals	747	723	807
Questions	1	2	3
Clash	164	144	160
Whiters	138	114	154
Rankin	150	134	161
Weyer	152	129	169
Pierson	177	190	166
Totals	781	811	869

AUTO CATCHES FIRE AT DRAKE GARAGE

Flames are Extinguished With Little Damage to Machine.

A flooded carburetor was the cause of a small blaze at the Drake auto garage on Mill street about nine o'clock this morning. The fire started when Ray Geer, proprietor of the Model Laundry, attempted to start the Model Laundry delivery auto. He flooded the carburetor and cranked the engine, causing drops of gasoline to fall to the floor beneath the machine. A back-fire explosion set fire to the drops of gasoline which in turn ignited the gasoline in the carburetor. The fire department was called and the flames soon extinguished with but small damage to the machine.

14 DIGGERS ARE NOW FREE AGENTS

Rulings of the Board of Arbitration Are Given Out Yesterday.

Chance For Organized Baseball in Marion Next Year is a Slim One.

Among the rulings of the board of arbitration of the National Association of Professional Base Ball leagues which was in session recently in San Antonio, Texas, as announced yesterday by Secretary J. H. Ferrell, is the following:

"Claim of Marion, Ohio, players (fourteen claims) allowed and the players declared free agents." Because of the ruling organized baseball in Marion next year is exceedingly doubtful. The ruling is discouraging to the men who provided baseball for the city in the past. It is also a trifle unjust as the players held notes, given them by the directors, for the balance of the back salaries due them. The Marion directors also have draft money due from Secretary Ferrell from the drafting of Hinkle Berger, Bill Colligan and Lullier. Had this been turned over to the local directors, they claim the back salaries of the players could have been paid. As the ruling now stands all Diggers are free agents.

The application of the Springfield team to be given a place in the Central league was left with the officials of the Ohio State league. This morning's Ohio State Journal says: "From Central league sources comes a story of how that organization is going to increase to a 12-club circuit for the coming year. Then there is a lot of talk, particularly in Springfield, about how the shakiness of the Ohio State league is going to free that city to the Central." Springfield in due course of time may be promoted to the Central, but such advancement will not come through any demise of the Ohio State.

CASCARETS WORK WHILE YOU SLEEP

Sales, Calomel and Cathartic Pills Are Violent—They Act on Bowels as Pepper Acts in Nostrils.

Take a Cascaret tonight and thoroughly cleanse your Liver, Stomach and Bowels, and you will surely feel great by morning. You men and women who have headache, coated tongue, can't sleep, are nervous, nervous and upset, bothered with a sick gassy, disordered stomach, or have backache and feel all worn out. Are you keeping clean inside with Cascarets—or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the decomposed waste matter and poison from the intestines and bowels. Remember a Cascaret tonight will straighten you out by morning. A 10-cent box from your druggist means a clear head and cheerfulness for months. Don't forget the children.

VIOLIN CONCERT AT EPWORTH

Willard A. Osborne to Make Debut in the Musical World.

Among the list of Marion's talented musicians, appears the name of one, who, although a mere child, has won recognition from some of the artists in the world of music, who are enthusiastic in their predictions for the successful future of the boy violinist, Willard A. Osborne.

For years a student of violin music at the Conservatory of Music at Ohio Wesleyan university, and for the past two years a pupil of Hugo Kortachak of Chicago, one of the foremost teachers of the world, the talented little musician has established for himself a strong foundation for future success in the musical world, not only because of his natural ability and talent, but through persistent and painstaking study. He has devoted himself more thoroughly to the art of violin playing, and to the complete mastery of his lessons, than is

WILLARD A. OSBORNE.

commonly found in one so young, and it is this close application to his chosen work that enables him to appear before some of the most critical as well as the best qualified judges of violin music, and acquit himself creditably. So creditably indeed, as to win for himself the diamond medal awarded for successful playing of seventh grade violin music at Chicago last May.

On December 7, at the Epworth Methodist church, Master Osborne will make his first appearance in concert work, although he has previously assisted in local programs. He will be accompanied at the piano by Miss Elizabeth Pollender, of Chicago.

Cracked the Safe.
Mt. Vernon, O., Nov. 25.—After binding George Brown, watchman at the McConnell company's warehouse with a roller towel, yeggs early today cracked the safe there and got \$200. They then cracked safes at the offices of the Mt. Vernon Hay & Grain company and John S. Smoot's grocery. They escaped easily and their work was not discovered until Brown was found.

OUR CITIZEN'S DEMAND

Fully Complied With—A Marion Resident Furnished It.

There are few items which appear in this paper more important to Marion people than the statement published below. In the first place, it is from a citizen of Marion, and can be thoroughly relied upon. In the second place, it indubitably proves that Doan's Kidney Pills do their work thoroughly and not temporarily. Read this carefully.

J. N. Reed, 102 Home St., Marion, Ohio, says: Doan's Kidney Pills still have my heartiest endorsement. I used them on several occasions since giving my former statement and they have never failed to relieve me. I willingly verify all I said in their behalf at that time, for the benefit of other kidney sufferers. I was taken with an acute attack of backache which greatly annoyed me when I awoke, and in the morning when I first got up, I felt lame and sore. Reading about Doan's Kidney Pills, I began their use and to my surprise, one box gave me perfect relief."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

OLD LANDMARK IS TO BE RAZED

Old Big Four Hotel Building to be Torn Down.

John Amicon Co. Will Put up Three-story Brick Structure.

A real estate deal of considerable magnitude was completed recently between the Standard Real Estate company and the John Amicon company, commission merchants. The building known as the old Big Four hotel. This is a two-story structure located between the Big Four and Erie tracks at the east end of the lot facing on State street, near the site of the old Big Four depot.

The deal embraces all the land lying between the tracks and State street on State street. It is understood to be the intention of the Amicon company to tear down the present two-story structure on the east end of the lot and build a three-story building with a cellar under all. The consideration named in the deed is \$15,000 and is one of the largest local real estate deals made recently. Work on the new building is expected to start early next spring.

Another deal of some importance was consummated recently whereby W. B. Denman purchased parts of two lots adjoining the Denman-Jenner building on west Center street. The lots were purchased from William Bryant and wife and it is expected that in due time the building will be enlarged, thereby making it one of the most pretentious structures in the west end of the city.

Quick Relief for Rheumatism.
George W. Koona, Lawton, Mich., says: "D. Detchem's Relief for Rheumatism has given me a wonderful benefit. My hand and foot had to be lifted for two months. She began the use of the remedy and improved rapidly. On Monday she could not move and on Wednesday she got up, dressed herself and walked out for breakfast." Sold by the Dumble Pharmacy, opposite Kerr House.

CHANGES IN LAWS ARE PROPOSED

Borah Thinks Reclamation Laws Are Unjust and Should be Changed.

Spokane, Wash., Nov. 25.—Changes in the federal land and reclamation laws, which will affect the entire western country, are proposed by United States Senator W. L. Borah of Idaho, who has been in Spokane. He has these objects in view in two bills he will introduce in the coming session of congress.

Reducing the homestead residence requirements from five years, as at present, to three years, and giving settlers in reclamation projects titles to the lands as soon as they have fulfilled the residence requirements, instead of waiting until water rights have been paid for in full.

"Adjustment of the land laws to enable development without an opportunity for monopoly seems to me to be the most important legislation for the west that can be enacted at the coming session of congress," Senator Borah said in outlining the plan. "I believe the homestead law should be adjusted in three years' residence instead of the present requirements. 'I am firmly of the belief also that the reclamation law should be changed so that a title will be granted to the settler as soon as he completes his term of settlement. Under the present law no title can be issued until the water rights have been paid for in full."

"The result is that the development of the country has been retarded and in many instances the settlers have suffered more or less hardship. This is especially noticeable in southern Idaho and I think it applies generally to the arid districts of the west. Something must be done and I think adjustment of the law is the remedy."

A LECTURE ON LITERATURE

Prof. Symset, of O. W. U., Addresses Teachers of Public Schools.

Prof. W. L. Symset, of Ohio Wesleyan university, Delaware, Ohio, delivered the first of a series of lectures on literature before the teachers of the Marion public schools at the high school building yesterday afternoon. His talk was highly educational and greatly appreciated by the teachers.

Prof. Symset's subject was "The Apprenticeship of Shakespeare." He named and discussed three of Shakespeare's initial writings. They were "Love's Labor Lost," "A Comedy of Errors" and "Two Gentlemen of Verona." The professor developed the plot in each play and described their essential elements in an interesting manner.

The date for the second lecture of the series will be decided later.

Will Locate in Marion.
Mark Huggins, a former Marion boy, who has been successful as the inventor of an electric washing machine and a cheese knife, was in the city a short time today calling on old friends. Mr. Huggins is now located in Columbus, with the Favrite Manufacturing company. He intends disposing of his interests here and coming to Marion where he will engage in the business, within the next few months.

MEEKER.

HEAD TO COME
Meeker, Nov. 28.—Mr. and Mrs. Otis Sabins and sons, of near Marselle, were guests of Mr. and Mrs. George Kennedy, Sunday.

Mr. and Mrs. J. O. Mason and children, Orval and Donna-Mae, were guests of Mr. and Mrs. Adam Rossmann.

Mr. and Mrs. A. O. Rhoads were Marion shoppers Saturday.

Mr. Bleasure, of Upper Sandusky, is a business visitor here this week.

Cecile Sprague was the guest of Lola Berry, at Agosta, Tuesday.

Mrs. James Guthrie visited with friends and relatives at Kenton and West Mansfield, last week.
